

## C-Cart to be launched at the Real Estate InPro Hub

---

**Mumbai, India, May. 25, 2017** – Bangalore based business consultant start up **SummentorPro** today announced its strategic launch of their online portal “**C-Cart**” on the 29<sup>th</sup> June at the **Real Estate InPro HUB**, India’s first open innovation forum to witness Investment, Procurement and Technology at one stretch taking place on the 29<sup>th</sup> and 30<sup>th</sup> June in **Mumbai**. They are opening up their online portal to all 200+ attendees including associations like **NAREDCO, NAR-INDIA & PHDCCI** and procurement supply members like **Deceuninck, Moksh Infra, Merge Stones, Litolier Marble, Silvan Innovation Labs, Ardex Endura, Shree Cement** and many more. “**C-Cart**” has been built and developed by **2 IIT Indore** students, because the start-up truly believes that the young Indians are the way forward to a better India.

“C-Cart’s” unique **B2B & B2C** analytics offers a simple and effective solution for generating sales leads, to the buying and supplying committees of the Real Estate segment to access the best of both worlds, along with that this portal has been developed with smart search options to build connections through e-contacts with an innovative idea of providing a complete frame work of Customer Experience Management. The intelligent algorithm is designed to provide each user the options of exactly what they are looking for. **C-cart** is offered to all attendees of the **Real Estate Inpro HUB** to reach a bigger audience on what is set to be an exciting week for India’s vibrant days ahead.

**Nitika Shahi**, CEO at Summentor Pro Business Consultants stated “We wanted to incorporate a faster sales making technology for Real Estate companies post de-monetisation, to offer assistance for continued growth, and hit a recovery mode faster than expected. **C-cart** aims at improvising segments like MSME’s, SME’s, Agriculture, Dairy & Pharmaceutical industries in India very soon.
